

Limited Lifetime Warranty on Woodmoor® & Woodcrest® Collection Shingles

Limitations on the transferability of this warranty are set forth herein.

Introduction

Thank you for your recent purchase of Owens Corning Woodmoor® or Woodcrest® shingles. We believe we manufacture the highest quality and most attractive shingles available anywhere, and that is why we stand behind them with one of the best warranties in the industry. We have attempted to write this warranty in clear, plain-English terms, including the limitations and restrictions, so you will fully understand the warranty we are making to you. However, the terms contained herein are subject to change without notice. If anything in this warranty is not clear to you, please call us at 1-800-ROOFING. Or visit our Web site at www.owenscorning.com.

Who Is Covered

If you live in the United States or Canada and you are the original consumer purchaser (i.e., the homeowner, not the installer or contractor) or the first transferee from the original consumer purchaser of our Woodmoor or Woodcrest shingles, you are entitled to the benefits of this warranty.

Transferability of This Warranty

You can transfer this warranty one time, anytime during the life of the warranty. This warranty will be transferred to the purchaser of your home under the terms and conditions of this warranty as a fifty (50) year limited warranty. For this warranty to be transferred, the new homeowner (first transferee) must complete and return the attached Warranty Transfer Card along with a transfer fee of one hundred dollars (\$100.00) within sixty (60) days after the date of the real estate transfer to obtain the benefit of this warranty. Proof of purchase of the Woodmoor or Woodcrest components, including shingles and hip and ridge, and the application date must be submitted at the same time. AFTER YOU HAVE TRANSFERRED THIS WARRANTY TO THE PURCHASER OF YOUR HOME, IT MAY NOT BE TRANSFERRED AGAIN. THAT IS, THE PURCHASER OF YOUR HOME MAY NOT TRANSFER THIS WARRANTY TO ANY SUBSEQUENT PURCHASERS.

What Is Covered/How Long Are You Covered

The lifetime coverage for Woodmoor or Woodcrest shingles offered by this warranty applies to individual homeowners only. We provide the homeowner(s) who purchases the Woodmoor or Woodcrest shingles with a warranty that lasts the lifetime of the homeowner(s). The lifetime coverage offered by this warranty automatically ceases upon the sale of the property, or death of the last of the owner(s) who owned the home at the time of the application. Upon change of ownership, the warranty will be converted to a fifty (50) year warranty, provided it is transferred as described above. In the instance of shingles purchased or installed upon property owned by, for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums or cooperative housing arrangements, or installed on apartment buildings or any other type of building or premises not used by individual homeowners as their residence, the warranty period for Woodmoor or Woodcrest shingles will be fifty (50) years following the installation of the shingles.

What Is Not Covered

We do not cover damage to the product due to any cause which is not expressly covered herein. After our Woodmoor or Woodcrest shingles leave our manufacturing facility, they are subjected to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems with non-defective shingles caused by conditions or handling beyond our control. Some examples of conditions not covered by this warranty include:

- Acts of God such as hailstorms and winds in excess of wind levels listed in the chart at the end of this warranty;
- Damage to or failure of the shingles as a result of damage to or the failure of the underlying roofing structure;
- Foot traffic on your roof or damage caused by objects (such as tree branches) falling on your roof;
- Improper or faulty installation of your shingles. Installation must be in accordance with our written installation instructions;
- Discoloration caused by algae, fungi, lichen or cyanobacteria (unless covered under the section "What About Algae Resistance" that follows);
- Inadequate attic ventilation or roof drainage. If you have any questions about appropriate ventilation requirements, please contact us at 1-800-ROOFING;
- Settlement of the structure of your home or buckling or cracking of the deck over which your shingles are installed;

- Damage to the shingles caused by alterations made after completion of application, including structural changes, equipment installation, painting, or the application of cleaning solutions, coatings, or other modifications;
- Labor costs incurred after the Tru PROtection® coverage period has expired; and
- Any costs that you incur that are not authorized in advance by Owens Corning.

What Is Your Remedy

- Tru PROtection Coverage Period**—The Tru PROtection coverage period is ten (10) years for all Woodmoor or Woodcrest shingles. During the Tru PROtection coverage period of this warranty, we will pay you 100% of material and labor costs, as reasonably determined by Owens Corning, to repair, replace or recover defective shingles, subject to certain limitations. Specifically, we will not pay for any metalwork, flashings or other related work, and we will not pay for the costs to remove or dispose of your shingles.
- Prorated Period**—Once the Tru PROtection coverage period of this warranty has expired, material will be covered, but labor will not be covered, and we will take into account the number of years you have enjoyed the use of the material through the date of your claim, and reduce the amount of our payment to you accordingly. That is, we will prorate the amount of your payment through the date of your claim. For Woodmoor or Woodcrest shingles, beginning in year eleven (11), we will pay you 80% of material costs as reasonably determined by Owens Corning to repair and/or replace the defective product. For each year thereafter, that amount will decrease by 2% until year forty (40). Beginning with year forty-one (41), and continuing through the end of the warranty period, Owens Corning will pay you 20% of the reasonable material costs.
- Exceptions**—At all times, Owens Corning's obligation to pay for repair or replacement of the defective product is subject to certain limitations. Specifically, all material costs must be pre-approved by Owens Corning and Owens Corning retains the right to provide materials in lieu of compensation. Additionally, Owens Corning will not pay for any accessories or other related work.

What About Wind Resistance

Your shingles contain strips of asphalt sealant that require direct warm sunlight for several days in order to seal properly. If your shingles are installed during a period of cool weather, they may not adequately seal until the season changes or the weather warms, and if your shingles never receive direct sunlight or are not exposed to adequate surface temperatures, they may never seal. Prior to sealing, your shingles are more vulnerable to blow-offs and wind damage. This is the fundamental nature of shingles and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that may occur prior to thermal sealing having occurred. After your shingles have sealed, however, they will be covered under this warranty if they experience blow-offs or wind damage in winds up to the levels listed in the chart at the end of this warranty. HOWEVER, FOR ALL SHINGLES, THE COVERAGE AGAINST SHINGLE BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF TEN (10) YEARS ONLY, FOLLOWING THE DATE OF INSTALLATION, AND NOT FOR THE FULL WARRANTY PERIOD OF THE SHINGLES.

What About Algae Resistance

If the shingles that you purchased were not specifically labeled as "Algae Resistant" ("AR"), then any discoloration caused by algae is not covered by this warranty as explained in the section above, "What Is Not Covered." However, if you did purchase AR shingles, they are covered under this warranty for a period of ten (10) years (prorated after the first twelve (12) months) following the date of installation ("AR Warranty Period") against discoloration caused by algae growth. If such discoloration occurs during the AR Warranty Period, you will be entitled to the following remedy:

- Remedy for Algae Growth**—If your AR shingles are discolored by algae growth during the first twelve (12) months of the AR Warranty Period, we will cover the cost, including labor (such cost not to exceed the initial cost of the AR shingles plus the initial cost of installation), as reasonably determined by Owens Corning, to repair, replace or recover the affected AR shingles, subject to certain limitations. Specifically, we will not cover any metalwork, flashings or other related work, and we will not cover the cost to tear off or dispose of your AR shingles. For purposes of this AR shingle warranty, the term "repair" as used above refers to cleaning or otherwise removing any algae growth from affected AR shingles. Decisions regarding whether your AR shingles should be repaired, replaced or recovered will be made solely by Owens Corning.
- Proration**—If your AR shingles have been installed longer than twelve (12) months, labor will not be covered and we will prorate the cost of your coverage to take into account the number of months of use that you have enjoyed through the date of your claim. For example: If you make your claim in the last month of the 5th year of the AR Warranty Period (i.e., the 60th month), we will not cover labor but will cover 1/5 of the reasonable material cost of the affected AR shingles (such cost not to exceed half of the initial cost of the AR product[s]).

Replacement Shingle Variations

As a result of our ongoing efforts to improve and enhance our shingle product line, we must reserve the right to discontinue or modify our shingles, including their colors. We are not liable to you if you make a warranty claim in the future and any replacement shingles you receive vary in color either because of normal weathering or changes in our product line. You should understand that if we replace any of your shingles under this warranty, we reserve the right to provide you with substitute shingles that are comparable only in quality and price to your original shingles.

Claims Process

To make a claim under this warranty, you need to do so within thirty (30) days after you discover the problem. Just call us at 1-800-ROOFING or send us a letter addressed to Owens Corning, Customer Response Center, One Owens Corning Parkway, Toledo, Ohio 43659. Explain the problem and include proof of purchase for the shingles and the date they were installed on your roof. Shortly after we receive your communication, we will contact you regarding your claim and will walk you through the entire process. To fully evaluate your claim, we may ask you to provide, at your expense, pictures of your shingles and/or shingle samples for us to test. If you have any questions, do not hesitate to write us at the address above, call 1-800-ROOFING or visit our Web site at www.owenscorning.com.
