

Add the expansive beauty of Heritage® XL shingles.

If you're looking to add a contemporary design element to your home, you'll find it in the wide-open appearance of Heritage XL shingles. Heritage XL shingles feature a wider-cut tab to create an expansive look that distinguishes your home with a remarkable, one-of-a-kind beauty.

As part of the American Heritage Series of laminated asphalt shingles by TAMKO®, Heritage XL shingles complement your home's architecture and showcase its beauty. Eight color selections are available to enable you to further express your individual style.

Durable construction for excellent roofing protection.

All Heritage shingles feature double layers of durable fiberglass mat for strength. Each layer is coated on both sides with weathering-grade asphalt and topped with ceramic mineral granules for excellent roofing protection. A self-sealing strip of asphalt helps provide added wind resistance.

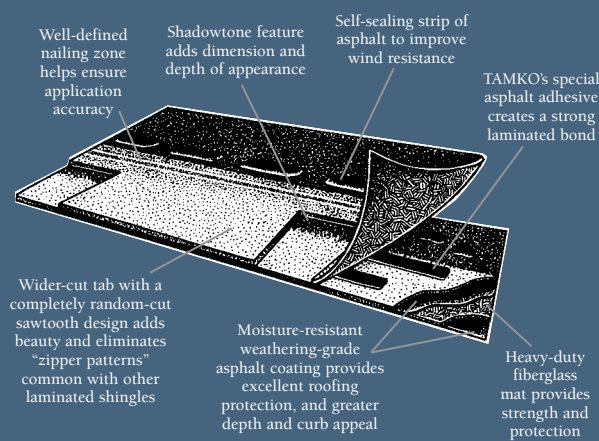

Heritage XL shingles meet ASTM D 3462 at the time of manufacture, are Miami-Dade County approved and come with a 40-year Limited Warranty, and a 7-year Limited Warranty against damage from wind up to 80 mph.* They also come with a 10-year Algae Relief—Algae Cleaning Limited Warranty.** To obtain a copy of TAMKO's Limited Warranty, visit us online at tamko.com or call us at 1-800-641-4691.

* Heritage XL shingles are warranted up to 110 mph when installed using High Wind Application.

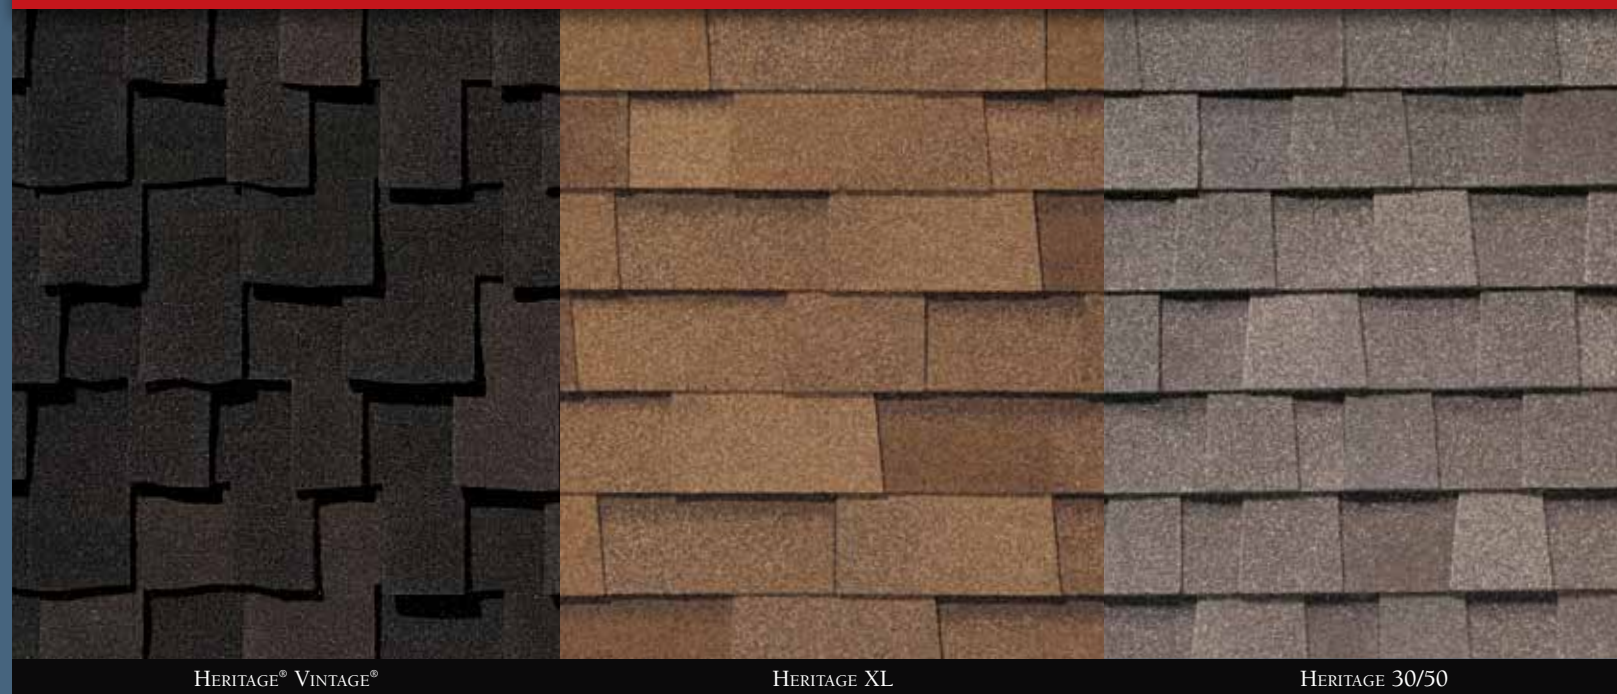

** Provides for cleaning of discoloration caused by certain algae growth that may occur in areas with high humidity.

Three great looks. One great Heritage®.

Reinforce the performance with quality TAMKO® accessories.

Be sure to choose quality TAMKO® accessories for use with your Heritage® shingles. TAMKO shingle starter will help start the job right, and TAMKO hip & ridge shingles will help provide the best finishing touch. TAMKO ventilation products help to assure proper roof ventilation. Our complete line of roofing underlayments helps provide protection before the application of shingles and serves as a secondary layer after shingles are installed. And for extra protection from wind-blown rain and ice damming, make it Moisture Guard Plus® self-adhering underlayment.

Building products for the professional.

Since 1944, building professionals and homeowners have looked to TAMKO for quality products built to perform. Our residential line also includes Lamarite® composite shingles, MetalWorks® steel shingles, 3-tab shingles, EverGrain® and Elements® composite decking and railing, Tam-Rail® railing, waterproofing materials, ventilation products and asbestos-free cements and coatings. Each of these products delivers TAMKO quality, performance and durability.
